

2015 High Performance Sustainable School Workshop

2015 High Performance Sustainable School Workshop

- Third Party Independent Commissioning Services
- Commissioning of Building Systems
 - HVAC & HVAC Controls
 - Plumbing Systems
 - Domestic Hot Water
 - Sewage Ejection System
 - Water Treatment Systems
 - Elevator Systems
 - Fire Alarm
 - Fire Protection

2015 High Performance Sustainable School Workshop

- Electrical Systems Commissioning
 - Lighting Systems
 - Networked Lighting Controls
 - Dimming Systems
 - Emergency/Egress Lighting
 - Power Systems
 - Electrical Power Distribution/Transformers
 - Uninterruptible Power Supplies
 - Emergency/Standby Power Generation Systems
 - Automatic Transfer Switches
 - Photovoltaic Systems
 - Facility Power Loss and Recovery Testing

2015 High Performance Sustainable School Workshop

- Electrical Systems Commissioning
 - Low-Voltage Systems
 - Intercom
 - CATV
 - Classroom Audio/Video System Technologies
 - Data and Networking Cabling
 - Clock Systems
 - Fire Alarm and Mass Notification Systems
 - Security Systems
 - Intrusion Detection Systems
 - Access Control
 - CCTV
 - Digital Video Management Systems

2015 High Performance Sustainable School Workshop

- Building Envelope Commissioning
 - Air Barrier System Review
 - Building Air Leakage Testing
 - Building Infrared Thermography

2015 High Performance Sustainable School Workshop

- LEED Commissioning
 - Fundamental and Enhanced Commissioning
 - EA Prerequisite 1 – Fundamental
 - EA Credit 3 - Enhanced
 - Performed 125 LEED Certified Projects

2015 High Performance Sustainable School Workshop

- Commissioning for School Districts – (17)
 - Kenton County
 - Boone County
 - Clark County
 - Pulaski County
 - Meade County
 - Leslie County
 - Franklin County
 - Boyd County
 - Glasgow Independent Schools
 - Washington County
 - Robertson County
 - Pulaski County
 - Perry County
 - Jessamine County
 - Russell County
 - Laurel County
 - Calloway County

2015 High Performance Sustainable School Workshop

FCG Commissioning Services

HVAC	Mechanical	Fire Alarm
Controls	Electrical	Fire Protection
Domestic Heating Water	Plumbing	Systems Manuals
Lighting Controls	Security	Maintenance Service Manuals
Lighting	Photovoltaic	Thermography
LEED Administration	Communications	Air Barrier Testing
Energy Management	Elevator	Building Air Leakage
Systems Assessments	Diagnostic Services	Building Envelope
